

## What's New with the Campaign 3-16-16

### A NOTE FROM OUR CO-CHAIRS

Our first goal of the Campaign for Northern Stage is complete: our NEW HOME, the Barrette Center for the Arts, opened on time and on budget in October 2015. Now we are incredibly close to completing this \$9,000,000 Campaign goal and securing our second goal, a BRIGHT FUTURE for Northern Stage.

Our bright future includes more efficient production shops, improved space for our education programs to thrive, and room for us to spread our wings and dare to bring you exciting and challenging programs like New Works Now, collaborations with area organizations, and much more. Plus, we're seeing the dramatic results of this bright future in White River Junction, with new development projects and busier restaurants and stores.

All that said we are not home free! We are working hard to raise the remaining \$150,000 needed to reach our \$9mm goal. It's still possible to "Make a Mark" on the BCA -- Pavers, Seats, and space on unique and beautiful Donor Wall are available. We hope you will continue to support Northern Stage through your ambassadorship in our community and sharing our work with your friends and neighbors.

Some of our staff recently shared what a bright future means to them. We hope you'll join us in supporting these beautiful and inspiring dreams. Please click [this link](#) to be directed to a very special thank you video.

We thank you for being part of the Northern Stage Family.
