

NOTE FROM THE CO-CHAIRS

Summer may be the “dark” time for Northern Stage (no shows on stage), but it is a very busy time for the Campaign! We are on-time and on budget for the building and look forward to moving into our new home in late August. Mark your calendar for October 10, 2015 at 11AM — we’re holding a ribbon cutting ceremony and open house to commemorate the public opening of your new theater.

Very soon (if not already!), you will receive letter inviting you to “Make Your Mark” on the new Barrette Center for the Arts by donating for a Seat (\$1,500) in the Jack and Dorothy Byrne Theater or a Paver (\$500) on the Couch Terrace. And remember, gifts of \$5,000 will be commemorated on our beautiful and unique artist-designed donor wall in the Roesch Family Lobby and gifts of every size are important to bringing this long-held vision to reality.

As our Northern Stage family, we know you understand the impact this new cultural venue will have on your experience in the theater (more leg room, plenty of gathering spaces, triple the number of restrooms, accessibility throughout, and, of course, enhanced production values), and on the life of our shared community (collaborations with area non-profits are already underway, education and community engagement programs are in process, and of course Northern Stage can now have an even greater impact on the economic prosperity of our region). We hope you will join us in supporting the Campaign; to learn more, come on a Hard Hat Tour or check out the Make Your Mark page by [clicking here](#).

We thank you for being part of the Northern Stage Family.
