

## A NOTE FROM THE CO-CHAIRS

### A NOTE FROM THE CO-CHAIRS

Spring is in the air, and the Barrette Center for the Arts continues to blossom! Thank you for making this happen!

Hard to believe, but this is Northern Stage's final weekend of performances in the Briggs Opera House. If you have yet to see *Songs for a New World*, please join us this weekend. Reserve your tickets by calling 802-296-7000. After the show on Saturday, May 2, we will be toasting 18 wonderful seasons in the Briggs Opera House; please join us downstairs at the Tuckerbox Café at 9:30 pm and raise a glass with the company.

We have been proud to show off the progress and inspire others to give during almost daily Hard Hat Tours. We hope you will continue to spread your enthusiasm for Northern Stage and our bright future by sharing this newsletter or bringing a friend in for a Hard Hat tour. Together, we will bring this long-held vision to reality. Thank you for all you do!

## CNS Awarded @200,000 from The Timken Foundation of Canton

In January, The Timken Foundation of Canton awarded \$200,000 to the Campaign for Northern Stage. With the Foundation's encouragement, it's commitment will energize other corporations and businesses to join in supporting Northern Stage as a leader in enhancing the quality of life in the Upper Valley

"We are so grateful to the Timken Foundation for its generous support and vital leadership," said Carol Dunne, Artistic Director of Northern Stage. "Timken's vision serves as an exciting stimulus to the entire business community to further Northern Stage's impact. The benefits to our artists, our audiences, the students in our educational programs, and our community partners will be extraordinary."

Do you know a corporation or business that might be inspired by Timken Foundation's challenge to join in supporting the Campaign for Northern Stage? Please email Director of Development Amanda Rafuse or call 802-291-9009 ext 117.
