

**YES (Youth Ensemble Studio), Jr.** is designed for students with a passion for theater in grades 4 & 5. Throughout January and February they will meet twice a week for Yes Jr. Academy classes to prepare for their February Vacation Show. Over February vacation week, they will rehearse and perform a 30-minute play that focuses on acting technique. Students in this program will also attend 3 days at the theater – 2 YES productions and 1 Main Stage Play. This is the perfect program for young thespians who love to perform.
